THE RCRA REPORT
August 10, 1987

Please look into
this. When
will this become
available? Can
we get a copy
Thom
etc.

LUST Trust Fund

Contact: Joan Cabreza

- A final cooperative agreement for the LUST Trust Fund was received from Oregon. They requested \$114,000 for FY 87 and over one million for FY 88.
- A new work assignment has been given to PRC engineering. They are developing a slide show on UST installations and removals and a checklist for inspectors.
- Joe Retzer, Trust Fund Branch, and Mark Waiwada, OUST staff person, will visit the region September 2 and 3 to conduct an UST program review. This replaces their previously planned August visit.
- The region has accented six invitations to give UST speeches at seminars and conventions during September and October. These include Western Petroleum marketer's, auto, dealers and the Airport Managers Association.

DeWils Industries, Vancouver, WA

Contact: Stephanie Mead

A comment letter was received on July 31 from DeWils Industries, in response to our letter of July 1, 1987, concerning DeWils' proposal for additional groundwater monitoring and soil sampling at the site. A meeting with DeWils is set for August 21 to discuss the facility's response.

U.S. Coast Guard, (USCG), Kodiak, AK

Contact: Stephanie Mead

An informal meeting was held on July 31, with a representative from the USCG concerning personnel changes at the base, and the status of the base's groundwater monitoring activities.

UST Feasibility Study

Contact: Joan Cabreza

The contractor has submitted the fourth and last report (Idaho) for the UST feasibility study.

Headquarters has shipped the region an Epson PC, printer modem, and associated software for use in the UST program. It should be here this week.

Umatilla Army Depot, Hermiston, OR

Contact: Catherine Massimino

EPA and the Department of Environmental Quality representatives conducted a Part B site visit of Army Depot's popping furnace and chemical agent storage igloos.

USEPA SF

1345242

Envirosafe Service of Idaho, Inc. (ESII)
Grandview, ID

Contact: Catherine Massimino

A meeting was held with ESII, EPA and Idaho Department of Health and Welfare representatives on August 13, 1987, to discuss Part B groundwater monitoring program.

ESC's Grant County Waste Management Facility
Grant County, WA

Contact: Catherine Massimino

A copy of the Washington Department of Ecology's (Ecology) consultant review of ESC's Part B application has been received. EPA and Ecology's comments will be consolidated into a joint Notice of Deficiency to the company by early September.

Hanford

Contact: Janet O'Hara

Members of the EPA Headquarters Federal Facility Task Force will be here August 12-13 to discuss a consent agreement or memorandum of agreement for Hanford.

American Crossarm, Chehalis, WA

Contact: Janet O'Hara

Janet O'Hara will attend the press briefing and public hearing on August 13 to explain RCRA incineration requirements.
